

AE Video Disclaimer - v1 as of Jun 2019

AE Global Solutions, Inc. / Armstrong Economics (collectively referred to as “AE”, or “We”, or “Our”) offers this video presentation along with various related products and services (including, but not limited to, the Ask-Socrates.com membership website, computer models, analysis, reports, commentary, research, information, materials, data, other videos, graphics or other forms of content and information, which may be made available with or without charge in various forms or versions, be it digital, physical or otherwise, including, but not limited to, software applications, technology platforms, membership or subscriber services, publications, email newsletters or blog posts, live or recorded events, branded and/or sponsored editorial, promotional, commercial and/or educational content, email or telephone support correspondence, customer / user forums or communities, social media and other forms of interactive communications, press announcements or interviews, social media and otherwise, collectively, including this video presentation and all products, services, analysis, commentary, research, information, materials, data, graphics, and other forms of content offered by AE is hereby referred to as Our collective “Services”). All viewers of this video presentation (including “You”, also referred to as “Your” hereinafter) acknowledge and agree to the following:

- The Services, including this video presentation, are protected under all applicable copyright laws and US First Amendment, and are provided “as-is” and are made available for informational and educational purposes only, and is not individual financial investment or trading advice. The Services are intended to allow You to evaluate and make independent decisions concerning potential financial investment and trading strategies You may consider. All contents and recommendations contained in the Services are based on data and sources believed to be reliable, but accuracy and completeness cannot be guaranteed. We cannot rule out All financial instrument prices referenced in the Services (including this video presentation) are provided to AE by third-party service providers, and as such, there may be some errors and this is not the responsibility of AE. We do not accept any liability for loss or damage as a result of reliance on the information contained within or from any of the Services (including this video presentation).
- AE utilizes a combination of proprietary computer models, third-party service providers, and technology systems, and while We try to provide accurate information through the Services (including this video presentation), there may be inadvertent technical errors or factual inaccuracies, as well as graphical and/or typographical errors, as well as data and informational errors. There may also be discrepancies in this video presentation vs other forms of the Services and/or other third-party sources of information. We reserve the right to make changes and corrections at any time to any error, discrepancy or otherwise without notice or liability to You or any third-party. Please note, We may also make updates or changes to any or all of the Services at any time, but We make no commitment to make any such updates or changes at any time as part of the Services.
- We encourage You and all viewers / users / members of the Services (including this video presentation) to do extensive research, utilizing multiple sources of information, and to consult professional financial services representatives to better understand the risks and costs associated with financial investments and trades, and to carefully consider financial objectives, level of experience, and risk appetite before any investment or trade.

- AE does not offer individualized financial products, services or advise, and thus, by accessing / utilizing / viewing the Services (including the procurement and/or viewing of this video presentation) you acknowledge and agree We do not, and are not, offering You individualized financial advice, products or services. No representation, warranty or guarantee is being made with regard to any of the Services, or that any financial result will or is likely to be achieved by viewers / users / members of the Services, including You.
- Financial investments and trades are risky and can result in significant financial loss – We highly encourage all viewers / users / members of our Services, including You, to research multiple sources of information, and to consult a reputable financial services professional regarding Your personal situation and any particular financial investment or trade. With respect to AE, You assume all responsibility for any financial investment or trading decisions You make, and any related results of those decisions, regardless if You made use of, researched and/or referred to any or all of the Services, in any way, in making any such financial decision(s), including information provided through this video presentation.
- AE does not promote or endorse any third-party financial advisor, broker, money manager, investment banker, or otherwise at this time. Further, We do not offer any type of formal certification, authorization or official approval to any individual, group, company or institution to use any of our opinions, models, methodologies, any information we present in this video presentation or any of the Services.
