****Please note schedule is subject to change****

Important Points

- All attendees will receive digital materials, and a video recording link.
- Questions can be submitted for Q&A sessions at the end of each day via Sli.do. See enclosed flyer for more information.
- **For Virtual Attendees:** Your order confirmation email includes your Access Code and button to 'Access Online Event' link; both you will need to access the Livestream. The link to join the livestream will become activated on December 3rd, and if you plan to follow along live, we highly encourage you to access the page before the event is scheduled to start. Please see enclosed instructions on 'How to Access the Livestream'.
- Access codes and links provided are limited to one IP address at a time and cannot be shared. Once you click the link (or type your code) to join the Livestream, your code/link will be locked to this device/IP address so make sure to access on the device you wish to use to join the session. The code/link does reset every hour, so if you wish to switch the device you are using, you will have to wait one hour after use to rejoin on a new device. There is a 2-hour lunch break providing a good opportunity to change devices if you wish.
- You may join the Livestream at any time during the session, and you will have the ability to rewind to watch the content you missed if you wish. Then as we are recording the session, we plan to make it available to all ticket holders as quickly as possible. For virtual attendees we will do our best to make the raw footage available from Day 1 before Day 2 begins, and the entire event within 24 hours after it ends, but we ask everyone to bear with us with this new process.

- **For In-Person Attendees:** Your order confirmation email contains your admission ticket. Anyone staying onsite and arriving on Thursday, December 3rd will receive their registration items at the front desk upon checking in. If arriving prior to Thursday or staying offsite, you will be required to schedule your check-in by selecting from the three registration times available in order to check-in with our staff. Please refer to the email sent out to select a registration time. If required to check-in with staff at the registration desk, please have your admission ticket printed or on your mobile device to be scanned.

- To avoid crowding, seats will be assigned by number based on the order tickets were purchased. A seating chart diagram will be provided with your welcome packet upon arrival. Your name badge will have your seat number on the back and the seating chart will indicate the corresponding seat numbers. In addition, your seat will have a card with your name on it. Only seats reserved by staff are permitted. We appreciate your cooperation to ensure a smooth start to the sessions.

- We expect all attendees to follow the protocols related to Covid-19 as laid out by the state, hotel, and staff. A mask is required to be worn in any public spaces in the hotel and both a mask and name badge are required to enter the meeting space. Once seated, masks can be removed, but must be worn when moving about the meeting space. A mask will be distributed with registration materials.

- The cocktail reception Friday evening is currently tentative and will be optional to attend if we are able to host it. Anyone attending is expected to adhere to requirements and practice social distancing when masks cannot be worn.

- Coffee will be served during meals and scheduled breaks only. A hot breakfast will be available from 7:30-9am and lunch from 12-2pm in the Floridian A-I Ballroom. Coffee is also available in the lobby at the Muse coffee shop 24 hrs.

- Please remove all personal items from the meeting space after Day 1 concludes.

- WiFi is available in the meeting space.

- A 50% discount on parking is provided to those staying onsite at the Hilton and who booked through the event room block.
- There will be items sold at the event. Items must be purchased online and fulfilled orders must be picked up at the registration desk when notified. Information will be provided at the event on items available for sale.
- Following the conference attendees will receive access to a video recording of the event which includes all presented material, slides, and charts.

We thank you for your participation and partnership to help make this event a success!
