

Conference Participants

Erwin Pletsch, Host of 'Model/Socrates Expertise Q&A'

Erwin Pletsch began studying AE's proprietary models in 1985 after seeing the advertisement in Barons -- "Has the Dollar Peaked and Gold Bottomed?" He officially joined AE in 2015. Specializing in forex markets and historical research, Mr. Pletsch has spent over three decades studying and successfully trading with AE's proprietary models.

Michael Campbell, Moderator

One of Canada's most respected business analysts, Michael Campbell is best known as the host of Canada's top rated syndicated business radio show MoneyTalks. He is also the Senior Business Analyst for BCTV News on Global. Michael is also a longtime friend and business associate of Martin Armstrong with a relationship spanning over 37 years.
