

# STAY INFORMED

*The conference may end, but the opportunities to stay connected are endless...*

## SOCRATES

*Martin Armstrong's computer model is available to the public. If you're not already a member, sign up today for as little as \$15 a month.*

*Visit [Ask-Socrates.com](http://Ask-Socrates.com) to learn more*

## REPORTS & BOOKS

*Personally penned by Martin Armstrong, a wide variety of reports and books are available on our online store.*

*Visit [ArmstrongEconomics.com](http://ArmstrongEconomics.com) to learn more*

## VIDEOS

*The 2020 Orlando WEC video is now available for purchase. Access the latest and past conference videos today.*

*Visit [ArmstrongEconomics.com](http://ArmstrongEconomics.com) to learn more*

## COMING SOON

### 2016 Technical Analysis Seminar Video

*Available for the first time this December, this video course provides an overview of how to identify trends, chart trends, and analyze channel analysis so you may see technical analysis in its true form – mathematics.*
