

2022 WEC Event App

We are again offering an Event App for all-in-one access to everything needed for the conference. Joining the app is optional, but it offers a simple way to access the Livestream, Slido app to submit questions, document portal for materials, and more!

Joining is easy, just follow the prompts. We also included the below step-by-step instructions for your convenience:

- 1) You will receive an invitation via email from the 'Mobile Event App Team' with a link and your unique username and password. All invitations should be sent by Monday, Nov 7th.
- 2) Click on the link provided in the invitation and login using the username and password provided in the email.
- 3) Next, create a new individual password for your account.
- 4) Last, customize and complete your user profile. (For virtual plus and in-person ticket holders, there is an option to connect with others if you choose.)

****Please note:** The invitation email may go to spam, so please check your spam folder, and search the sender's name 'Mobile Event App Team' if necessary, to locate the email.

Alternatively, you can access each app/page separately if you wish.

- Livestream – Click 'Access Virtual Event' button in Order Confirmation Email
- Question Submission – Slido App/Portal (see separate Slido Flyer for instructions)
- Event Materials/Reports – Visit the Documents Portal (armstrongeconomics.com/documents-portal) to download all materials/reports.
